Dear Families and Staff:

I was made aware of a potential threat at Oblong High School this afternoon. We immediately began an investigation and contacted the Crawford County Sheriff's Department. The Sheriff's Department responded and the potential threat was investigated. We do not believe there is any threat at Oblong High School. We will continue to encourage everyone to report anything they feel could be considered dangerous and we will continue to immediately investigate and respond to ensure the safety of all students, faculty, and staff. Please contact me with any questions.

Sincerely,

Jeff Patchett
